

Request for Back Office Data Licensing

The Back Office Data License permits brokers who participate in the MLS to use the listing data for all of your back office products. Please be sure you and your Web consultant/vendor review the Back Office Data License Agreement displayed in our online licensing request system.

The Broker of Record, must login to REALMLS.REDATAVAULT.COM to request a Back Office Data license. Please use this form below to ensure your Broker has the required information to complete this request.
