Go to Market Strategy

SEO/SEM

We use language that you input on each of your Crexi listings to buy keywords through our direct partnership with Google/Bing Search engines.

RETARGETING

We reach buyers/tenants on websites like Forbes/ESPN/WSJ by retargeting them with your property ads once they've engaged with your listing on Crexi.

SOCIAL & DISPLAY ADS

We reach high qualified users by using machine learning algorithms to find your best leads.

CREXI LISTINGS

We use proprietary algorithms to match your listing with the right buyers/tenants.

TARGETED EMAIL CAMPAIGNS

We use machine learning within Crexi's massive database to find the best buyers/tenants to send custom, fully trackable email campaigns

ACTIVITY REPORTS

Manage leads, take notes, rank, organize by property search or activity performed.

COMPREHENSIVE PROPERTY & BROKER DASHBOARD

View statistics and analytics for disposition activity. Access contact information to proactively contact buyers.

VIRTUAL DEAL ROOM

10GB storage, tiered security access, customizable CA execution and access logs.

INTERACTIVE TOUR BOOKS

Facilitate property tours leveraging Crexi's digital tour book.

OFFERS

Take the proposal process online ranging from the traditional LOI to call for offers, best & finals, to auction.

CLOSING TRACKER

Manage and track closings across a specific timeline.

TRACKING CAPABILITIES

Invite closing parties, assign tasks, communicate, & upload closing documents.
